WINTER RACING IN EARNEST.

Planter Given Out as a Good Horses that Should Win in the Thing Won Very Handily.

ISPECIAL TO THE EVENING WORLD, wintry weather prevented a large number of race-goers from visiting the Clifton track this

afternoon. The programme presented many

attractions, but this did not prove enough of oadstone to draw the people to the wintry precincts of the grand stand. Probably 2,500 people were present to see the opening race.

Ben Harrison looked like a cinch for the first race, and his opening price, 7 to 10, was packed him all around the ring, pounding the price to 1 to 2. Of the others, the Emeti filly was next fancied, but as she opened at 5 to 2 and closed at 5 to 1 it is probable not a grea

deal of money went on her. Ganymede and Middlestone were backed for third, but Ben Harrison carried nearly all the noney. Ben Harrison was in front entering Ganymede collared him haif way down and beat him out by a head in a whipping finish. beat him out by a head in a whipping finish.

There was a dead silence while the numbers were being put up, and to the surprise of all lien Harrisch's number was put up. Even that there was a dead silence, but the talent got all the money and there was no murmur.

Young Dute was installed favorite for the recond race, but it was whispered that Planter was ins real good thing, and a reah was made to get on. Planter opened at 10 to 1, and was banked down to 7 to 2 at the close. Cora Tanter was the most fancied of the others.

The good thing ran through his field in the first furiong, and remped home a winner by a length and a saif from Young Duke, on whom McCarty made no great effort. Cora Tanner was third.

Metarty many installed favorite for the third Repent was installed favorite for the third race with Park Rioge Kelp filly and Young Grace all well backed for second place. Lizzie got the best of the start and wis never after headed, winning by three lengths. Zender eaded, winning by three lengths.

Lakewood was the first to show and, with Kyrie B., Ben Harrison and Gamymede as his cionest attendants, made the running to the people of Ireland to sustain him in the store, where he gave way to Kyrie B., who made the running to the torn, where he gave way to Kyrie B., who made the running down the backstretch, a length and a neil before Ben Harrison, with Ganymede and Emeti filly. On the far tern Hea Harrison shot to the front, and on entering the stretch was a clear length in front of Emeti filly, with Ganymede collared Hen Harrison, and in a whipping floish beat him out by a head.

The judges, however, placed Ben Harrison first by a head. Ganymede beat Kyrie B. two lengths for the people of Ireland to sustain him in the stand he has taken.

He defes his opponents, and his utterances settle the fact that he will not voluntary reliquish his leadership.

Acting Supt. Byrnes had the precinct commanders at Headquarters to-day to notify them of the arrangements for the Police Captains' of the people of Ireland to sustain him in the stand he has taken.
